The screenshot shows the cdnjs website interface. At the top, there's a navigation bar with the cdnjs logo, social media icons (Twitter, GitHub), and a search bar. Below the header, the URL 'Home / Libraries / font-awesome' is displayed. The main content area features the 'font-awesome' library details: 'The iconic SVG, font, and CSS toolkit', 76k stars, a GitHub link, and an npm package link. It also mentions the license: '(OFL-1.1 OR MIT OR CC-BY-4.0) licensed <https://fontawesome.com/>'. Below this, there are dropdown menus for 'Version' set to '7.0.1' and 'Asset Type' set to 'All'. A message box says 'Some files are hidden, click to show all files'. At the bottom, two CDN links are shown: '<https://cdnjs.cloudflare.com/ajax/libs/font-awesome/7.0.1/css/all.min.css>' and '<https://cdnjs.cloudflare.com/ajax/libs/font-awesome/7.0.1/css/brands.min.css>'. Each link has a blue arrow pointing to it from the right side of the image, with the text 'Clique Aqui' (Click Here) written in red above the arrow.
